

MasterMath

Slope of a line

Name _____

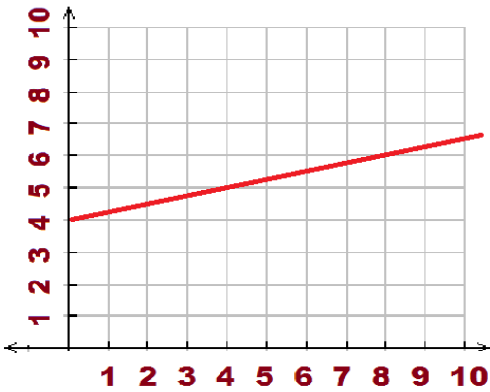

Date _____

Find the slope of these lines

1.

2.

3.

x	1	2	3	4	5	6
y = 3x	3	6	9	12	15	18

4. Line A has a slope of 5; Line B has a slope of -5. Are they parallel?

5. Draw a line with a slope of 5, and another with a slope of -5. Start both lines at (0, 0).
